The **EAGLE** PTV (Personal Transport Vehicle) has a top speed of 19 mph and is not designed for travel on public roads. For on-road use, please ask about Columbia's **EAGLE** LSV.

Home

Although your day starts and finishes at home, count on your **EAGLE** to take you everywhere else you need to be – again and again! No matter how far you've gone, just plug in your **EAGLE** when you get home and recharge for pennies each night.

Leisure

Whether it's your course, your gym, your club or your match, your **EAGLE** will power you to and through all that you like to do – in comfort and style. If it's 18 or 36 holes, around the neighborhood or across town, your **EAGLE** will conquer the toughest challenges.

Community

You volunteer, work and participate in your community. Your **EAGLE** supports your passion to give back as you drive toward a cleaner environment – dependably, quietly and pollution-free.

Ergonomics

Range will vary depending upon, load, temperature, terrain, driving style and battery pack selected. Features, options, specifications, color availability and model designation are subject to change without notice. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you order includes the equipment you require.
