MEGA

The MEGA combines the comfort of an automobile and the versatility of a utility vehicle. Five different models allow you to select the version that best suits your needs. PURE ELECTRIC power propels the street legal MEGA on roads with speed limits of 35 mph or less in most States.

A corrosion resistant aluminum chassis allows your MEGA to provide years of faithful service while impact resistant polymer door panels mean it will look good while doing so.

Perfect For:

- Government
- Parks & Recreation
- Airports
- "Return to base" transportation operations
- Colleges / Universities
- Maintenance
- Commercial Spaces
