## Summit Utility

Driven to work, there's a Summit Utility Vehicle for the college campus, the park system, the military base or the industrial complex. And, with zero emissions your SUV is even friendly to indoor environments.

Engineered for safety, every Summit is equipped with a safety glass windshield, top speed limiting technology, automotive hydraulic brakes.

The SUV is available as a NEV which is street legal on roads with posted speed limits of 35 mph. Frequently used in commercial fleets, you can rest assured the Summit will also have a positive impact on your bottom line.

### Perfect For:

- Parks
- Schools/Universities
- Government/Municipalities
- Wherever clean, efficient transportation is needed
- Country Clubs
- Delivery
- Hospitals
