Summit 4

The Summit 2 & 4 are designed with the road in mind; they are street legal on roads with speed limits of 35 mph or less in most States. Fun enough to take you where you want to go, tough enough to drive where you have to go.

Engineered for safety, every Summit is equipped with a safety glass windshield, top speed limiting technology, automotive hydraulic brakes.

Frequently used in commercial fleets, you can rest assured the Summit will also have a positive impact on your bottom line.

Perfect For:

- Schools / Universities
- Retirement Communities
- Government / Municipalities
- Wherever clean, efficient transportation is needed
- Country Clubs
- Second Vehicle
- Hospitals
