## AMERICA'S LEADER IN SAFETY, PERFORMANCE & STYLING.

Since the first Tomberlin® street-legal, Low-Speed Vehicle (LSV) was built, we've remained committed to designing vehicles with an emphasis on safety, performance, and styling while challenging the traditional conventions of what is expected in a Personal Transportation Vehicle (PTV). **We Go Farther.**

# E-MERGE BEACHCOMBER

tomberlinusa.com

Whether you live on a beach or just wish you did the E-Merge Beachcomber will transport you and your crew in style. Fitted with luxurious custom CoolTouch smooth Cognac seats, a teak style floor mat package and 4 stunning coastal colors the Beachcomber is sure to impress. Available in 4 and 6 passenger configurations, both models feature our XL rear seat to carry people and beach gear. Smooth riding comes from a 6-inch lift with hybrid tires and the extended range of our EVOLVE L210 lithium battery package.

**We Go Farther** by including features like our Smart Park™ automatic parking brake, locking steering column, and unique ignition key. Plus, a powerful 450-amp drivetrain, responsive handling with effortless power steering, and 4-wheel hydraulic braking system give a level of performance not found in other golf or LSV vehicles. Finally, we surround you with styling and features expected only in an automobile with the convenience, freedom, and fun of a neighborhood electric vehicle.
